Property Description

This modern apartment offers a seamless blend of comfort and design within one of Escazú's most sought-after residential communities. The open-concept layout integrates the living, dining, and kitchen areas into a bright, airy space that extends naturally onto a private balcony—ideal for enjoying morning coffee or fresh air throughout the day. The kitchen combines style and function with sleek white cabinetry, white quartz countertops, and a sand-toned glass backsplash. An island peninsula with bar seating enhances both casual dining and entertaining. A separate laundry area with a sink and space for stacked appliances adds convenience. Two well-appointed bedrooms provide privacy and comfort, each with walk-in closets and air conditioning. The residence includes two full bathrooms, two parking spaces, and a dedicated storage unit. Life at Escazú Village comes with access to an array of amenities designed for both relaxation and recreation: a central pool with lounge chairs and hammocks, a children's playground, gym, media room, coworking and meeting spaces, and social areas including billiards, ping-pong, and rooftop lounges with panoramic views, barbecue, and entertainment screens.
