Property Description

Surrounded by nature and designed for relaxation, this spectacular residence in Plantation States Condominium offers a unique experience of connection with its natural surroundings. The property borders a beautiful forest on the side and rear, filled with majestic trees that provide freshness, peace, and a natural setting where it is common to see toucans, various birds, squirrels, and hear the unmistakable sound of howler monkeys, creating a truly special atmosphere. Fully remodeled and featuring a modern open space design, the home invites you to enjoy every corner with spaciousness and natural light. It offers a total construction area of 226 m² (approximately 2,432 square feet), distributed as follows: 170 m² of living space (1,830 square feet), 36 m² covered garage for two vehicles (388 square feet), and 20 m² storage room (215 square feet), all situated on a spacious 554 m² lot (approximately 5,963 square feet).
