Located on a private hillside enclave of a few residential lots, this property offers a rare balance of privacy, nature, and proximity to one of Costa Rica's most vibrant beach towns. Set in the Los Jobos area—considered part of greater Tamarindo—this property is only a 4-minute drive from Tamarindo's beaches, restaurants, shopping, and services, while still feeling tucked away and serene. In a residential neighborhood, positioned along a quiet public road and just 800 meters from the paved back road to Tamarindo. The project was designed with long-term livability in mind, prioritizing space, airflow, greenery, and view corridors rather than density. Lot 4 is one of the standout homesites within the community.
