Property Description

Pre - Construction Opportunity Award winning Architect Richard Hammond was tasked with an efficient valley viewhome that still maintains a premium finish and impactful modern design...and the team delivered in spades! This three bedroom, three and a half bath home is situated on a 1,383 m² (14,886 f²) home site looking out over the treetops and jungle valley beyond. A modern, open concept is utilized in the kitchen/living/dining area on the main living floor of the home with covered terrace. The lower level boasts an outdoor kitchen and unique circular infinity pool, closer to the natural elements of the forest. The vertically louvered exterior shell can be opened and closed to control lighting, breezes and temperatures giving the house a distinct design aesthetic that truly sets it apart.
