Property Description

This lovely lot, with an area of 375 square meters (approximately 4,036 square feet) and 12 meters of frontage, offers the perfect opportunity to build the home of your dreams or a cozy cabin to relax during your free time, away from the noise of the city. It can also be a great investment project to generate income, as it is located in one of the most attractive areas for both local and international tourists. Situated in the prestigious Condominio Los Trapiches, this lot has access to public utilities, making construction and project development easier. From its location, you can enjoy a spectacular view of the Arenal Volcano from the back, creating an impressive natural backdrop. Whether in a backyard, private pool, or terrace, you'll be able to admire the majestic image of the volcano, making your space truly unique and full of natural beauty. The condominium offers controlled access with 24/7 security, providing peace of mind and safety.
