Property Description

This ocean view estate property is absolutely amazing. When you enter the 14.5-acre property you leave the outsideworld behind and you enter a tropical Costa Rican paradise. The property sits at aprox 900 ft elevation and has one of the most breathtaking ocean views you have ever seen. It has all year sunsets over the pacific and you can see the waves breaking all the way up the coast. A good portion of the property is the primary jungle and the trees are spectacular. You will see all kinds of wildlife including monkeys, toucans, and sloths. The property is located in Lagunas, a mountain community close to Playa Dominical. It has a mix of locals and foreigners. Lagunas has great roads and an excellent legal water system. It is a 15 min drive to town and the beach. The main house has 3 bedrooms and 3.5 bathrooms and is situated at one end of the HUGE infinity-edge lap pool. Each bedroom has it's own full bathroom.
