Property Description

Just steps from the beach, this 3 bedroom, 2.5 bath beauty is a must-see. Built in 2018, this two-story ocean view home offers a great deal of potential for both a single family home, a partial rental, or a vacation rental. Each level of the home is fully equipped and can be divided into separate spaces. The huge yard is a great canvas for gardening, and a privacy fence with a gate surrounds the property, creating a lovely feeling of privacy. The beach is only steps away. This property is located within the maritime zone and is therefore a concession property.
