Property Description

Architectural integrity and creative design that integrates the views, natural light, wind flows and a cascading floor plan are the defining elements of this amazing new offering in the Manuel Antonio area. This property is an amazing new offering at an incredible price point for a luxury villa. This 3 bedroom, 3.5 bathroom home is located in the El Salto gated community which offers up spacious lots, all over an acre in size which ensures that each and every property has privacy, wildlife, and serenity, but all within the heart of Manuel Antonio. The home itself is a magical combination of steel, wood, glass, and natural stones which fuses modern lines and architecture with the organic elements of the region and the panoramic mountain, valley, and Ocean views. When you enter the home, beneath the unique rooflines and bridged entrance, you are bathed in natural light and a split floor plan.
