Property Description

PRICE REDUCED from \$393.500 to \$378.500. A gorgeous well-designed home located in the rolling hills of Altos del Monte, Atenas. This area is known for its pleasant temperatures all year-round. The peace and tranquility offered in Altos del Monte makes it a highly-desired place to live. For those seeking a place that feels remote, yet nearby food stores, shops, and entertainment, this property will definitely match your expectations! This gorgeous two-story home was built in 2012 and is characterized by having spacious rooms with spectacular views. The great room is filled with natural light and flows into the ample living room and spacious open kitchen, which has plenty of storage room, including the ample walk-in pantry. Additionally, the kitchen island is also great for storage and functionality while preparing and cooking. And since the kitchen is a central point of the house and where everyone gathers, the eat-in bar offers more counter space for guests.
